

**DECLARATION OF RESTRICTIVE COVENANTS
FOR MAPP ESTATES SUBDIVISION**

This declaration, made and published on the 13th day of March, 2020.

WHEREAS, the undersigned, ADAMSON DEVELOPERS, LLC, a Tennessee Limited Liability Company (Hereinafter referred to as "DEVELOPER"), is the owner of Mapp Estates Subdivision, comprising of Lots 1 through 23, as shown on the final plan for Mapp Estates Subdivision ("Subdivision") by plat of record in the Register's Office of Hamilton County, Tennessee, and

WHEREAS, it is the plan of DEVELOPER to restrict said lots of the Subdivision, as well as all lots subsequently platted in the Subdivision to residential purposes;

NOW, THEREFORE, in consideration of the premises, and for the protection of the present owner, as well as the future owners of Lots 1 thru 23 inclusive, of the Subdivision, this declaration and agreement is made;

Each and every conveyance of any one of the Subdivision lots shall be subject to conditions, reservations, covenants and agreements which shall run with the land, as follows:

ORGANIZATION

1. MAPP ESTATES HOMEOWNER'S ASSOCIATION. The Developer has caused, or may in future case, the Mapp Estates Homeowner's Association hereinafter (MEHA) to be formed as a non-profit Tennessee Corporation for the purpose of preserving and enhancing the general quality of the Subdivision by maintaining and keeping in good repair common areas as defined in paragraph 17 herein and be responsible for maintaining all drainage areas that were originally maintained by DEVELOPER.
2. TRANSFER TO MEHA. Full control of MEHA automatically shall be vested with the homeowners upon 75% of the sale of all the lots for a total of 18 homes. Membership in MEHA shall be required of the owner(s) of each lot who shall be granted one share per lot in MEHA. Each share will have one vote as to official MEHA business. So long as the DEVELOPER owns any lots, the DEVELOPER shall have one share in MEHA per lot.
3. ASSESSMENTS. Each lot owner covenants and agrees to pay to MEHA all assessments for common area maintenance, and other official business expenses approved by the MEHA board of directors. All such assessments shall be a charge on the lot and shall be a continuing lien upon the lot against which assessment is made in favor of MEHA, and MEHA shall be entitled to file a document evidencing such lien in the Register's Office of Hamilton County, Tennessee. The liens provided for in this Declaration shall be subordinate to the lien of a First Mortgage on any lot if, and only if, all assessments, whether annual or special, with respect to such Lot having a due date on or prior to the date such Mortgage is recorded have been paid. In the event a First Mortgagee shall acquire title to any Lot by virtue of any foreclosure, deed in lieu of foreclosure, or judicial sale, such Mortgagee acquiring title shall only be liable and obligated for assessments,

whether annual or special, as shall accrue and become due and payable for said Lot subsequent to date of acquisition of such title. In the event of the acquisition of title to a Lot by foreclosure, deed in lieu of foreclosure, or judicial sale, any assessments, whether tinnual or special, as to which the party so acquiring title shall not be liable shall be absorbed and paid by all Owners as a part of the Common Expense; provided, however, nothing contained herein shall be construed as releasing the party or parties liable for such delinquent assessments from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

Annual assessments shall be levied at a uniform rate per lot and shall be paid in such manner and on such dates as may be fixed by the MEHA board of directors. Such assessments shall commence as to all lots then existing and subject to this Declaration on the first day of the month following initial occupancy but shall NOT apply to any lots that are owned OR purchased by Developer. At the time of purchase of any lot from Developer the purchaser of said lot shall pay a \$100.00 initiation fee to MEHA. The aggregate fund established by such funds shall be used by Developer to maintain the common areas and drainage areas until such time as the control of MEHA shall be vested in the lot owners and thereafter, such monies, if any are left, shall be maintained in a segregated account for the purpose of insuring that MEHA will have cash available to meet unforeseen expenditures. After TRANSFER TO MEHA, (see ORGANIZATION, Section 2) MEHA fees shall be set at \$25.00/annually for the first two years. Annual fees thereafter shall be set by the Membership.

BUILDING AND RESTRICTIONS

1. All of the Subdivision lots shall be, and shall be known and described as, single- family residential lots with the exception of Lot 18, the community lot. Except as provided in this document, no structure shall be erected, altered, placed or permitted to remain on any of the Subdivision lots other than one (I) single family dwelling and attached garage. Community Lot #18 shall be set aside to be used by the DEVELOPER and MEHA. Only guests of the MEHA and/or DEVELOPER shall be permitted to use the Community Lot.

2. No lot shall be used as a street or easement for access to any adjacent property without submitting for approval in writing to DEVELOPER and procuring its written approval. DEVELOPER shall not have any obligation to permit such street or easement. The decision to do so, or not to do so, shall be in the sole discretion of DEVELOPER.

3. It shall be permissible for DEVELOPER to rearrange boundary lines of lots, if so desired, and combine lots or parts of lots into one building plot, but not to the extent of increasing the number of lots once the final subdivision plat has been recorded.

4. Regardless of whether it is expressly stated in any deed conveying any one or more of the Subdivision lots, each conveyance shall be subject to existing governmental zoning and subdivision ordinances or regulations in effect thereon.

5. All of the Subdivision lots must from the date of purchase be maintained by the owner in a neat and orderly condition (grass being cut when needed, as well as leaves, broken limbs and other debris being removed when needed). In the event that an owner of a lot fails of his own volition to maintain his lot in a neat and orderly condition, DEVELOPER, or its duly appointed agent, may enter upon the lot without liability and proceed to put the lot into an orderly condition, billing the cost of such work to the owner.

6. Before any construction of any dwelling house and all other structures is commenced or carried on, plans and specifications for the structures shall be submitted for approval to DEVELOPER and written approval thereof procured. It is the intent of DEVELOPER to maintain a traditional design with consistent front facade, roof pitch of not less than 6/12, and exterior materials and design. The decision to approve or deny approval for house plans shall be within the sole discretion of DEVELOPER, its successors or assigns. DEVELOPER, its successors or assigns, shall have the right to grant exceptions to any of these Restrictions if, in its sole discretion, allowing the exception would in no way detract from the quality, appearance and architectural style intended for the structures that shall be built in the subdivision. It is further provided that in the event of the completion of any structure on any lot without any proceedings having been instituted in the Courts of Hamilton County, Tennessee to enjoin the construction thereof, said structure shall be conclusively presumed to have had such approval.

7. No house shall be erected or permitted to remain in the Subdivision unless it has the number of square feet enclosed, heated living area, exclusive of open or screened porches, garages or basements, set for in this paragraph: As to single level houses, without a basement, a minimum of 1,300 square feet; if a two level building a minimum of 1,000 square feet must be on the first floor, and a minimum of 1200 square feet in the house.

8. No residence shall be located on any one of the Subdivision lots nearer than fifteen (15) feet to the front line or any side street line; nor nearer than five (5) feet to any side lot line; nor set off the rear boundary line less than twenty-five (25) feet. This requirement may be waived by DEVELOPER if it, in its sole discretion, determines that any such waiver shall be in the best interests of the Subdivision. All houses shall have a concrete sidewalk of four feet in width between 22 and 24 inches from the curb. All houses shall have a concrete, pea gravel/aggregate concrete, brick paver or patterned (stamped) concrete driveway.

9. The fronts of all dwelling houses can be constructed with regular vinyl siding on 90% of the front of the house. The remaining 10% can be either brick, stone, stucco or synthetic stucco or synthetic stone. Vinyl/aluminum may be used for soffits and other areas that are deemed by DEVELOPER to be consistent with the character of the Subdivision and not to detract from the architectural integrity of the home style established in the Subdivision. NO exterior concrete blocks that can be seen from the street shall be exposed; therefore, all concrete blocks that can be seen from the street shall be veneered with either brick, stone, stucco or synthetic stucco. All lots shall have a minimum of sodded front yard and seeded side and back yards with a landscaping plan that has at least a ten (10) 3 gallon plants against the house per the standard of the Subdivision. Developer shall have at sole discretion to waive any of the above exterior restrictions if a request is made in writing prior to making any changes.

10. All residences shall have a mailbox set within a brick or stone mailbox structure approved by the DEVELOPER.

11. Any residence being erected on a lot shall be completed within twelve (12) months from the date of closing on the purchase of the lot unless Developer, in his sole discretion, approves in writing an extension of this time.

12. No sheep, goats, swine, horses, cattle, burros, fowl or any like animals shall be permitted to be kept or to remain on any of the lots in the Subdivision, or to roam at large on any of the streets or ways in or bordering the same. There shall be no commercial breeding of domestic pets. No liquor, beer, wine or other intoxicating substances shall be sold within the bounds of said subdivision.

13. No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. In particular, boats, tractor trucks, motor homes, inoperative or abandoned automobiles, and/or camping trailers shall not be frequently or habitually parked on a driveway located on any lot within the Subdivision. Nor shall the owner of any lot park a boat, tractor-trailer, motor home, inoperative or abandoned automobiles, and/or camping trailers in the streets or driveways therein, or carry on any major repairs to any automobile, boat or other vehicle in a driveway or street in the Subdivision.

14. No outbuildings, and other quarters may be constructed unless the plans and specifications are approved in writing by DEVELOPER before construction begins and their construction and appearance is architecturally and structurally similar to the front elevation of the main dwelling house and similar materials are used. No such structures, other than the main dwelling house, shall be included in complying with the minimum square footage requirements set forth above.

15. The plans and location for all fences must be submitted to DEVELOPER for written approval prior to construction. No construction of a fence shall commence without the prior written approval. DEVELOPER will specifically avoid fences on adjoining lots that are constructed in a manner that will leave any area between the sides of the fences. Such small passageways between fences of adjoining lots will be avoided.

16. No fence may be erected forward of the midpoint of the sideline of the dwelling house. Fences must be at least six (4) feet and no more than eight (6) feet in height. Fences must be constructed of a material that is comparable and aesthetically compatible with the material used in the construction of the house. Fences of wood or vinyl shall be preferred. Fences constructed of white vinyl may be built provided that DEVELOPER determines that the location and design of such fence shall in no way detract from the architectural standard for the Subdivision. Any wooden fences must have the finished boards oriented toward the outside of the lot and away from the house, and the lateral structural boards oriented toward the house so as not to be visible from other lots. No chain link fences shall be permitted. Fences on corner lots may not be located any closer to any side street than the side of the dwelling house. DEVELOPER shall be allowed to waive any of the restrictions set forth herein, provided that any such waiver results in a change which is consistent with the architectural and environmental concerns set forth in this document, as interpreted and determined in the sole discretion of DEVELOPER. Any such waiver shall be in writing and the decision by to grant or deny any request waiver shall be final.

17. The front entrance walls and landscaping, shall be considered common areas in the subdivision and shall be owned and maintained by MEHA. MEHA shall be responsible for the maintenance of all drainage areas originally maintained by the Developer.

18. The purchaser of every lot will be considered as SUPPLEMENTAL SIGNERS OF THE NOTICE OF INTENT TO DISTURB PERMIT (NOI) and that they will comply with all requirements of the City of Chattanooga, State of Tennessee and Hamilton County regarding storm water runoff and sediment control. All builders and future homeowners will comply with the controlling regulations and authorities. If there are any fines levied by the appropriate authorities for violations of the same, including fines to the Developer that are of no fault to the Developer, then said Builder will also be responsible for said fines. Also, if a builder or home owner fails to comply with the regulations in a timely manner, then Developer will have the right to hire an independent third qualified party to put the lot and building site in compliance with the regulations at the expense of the builder or homeowner. The

builder and homeowner will keep the site and road clean at all times and free from and sediment runoff. In the event of dirt in the street, builder or homeowner will clean the same immediately.

19. If for any reason any one or more of the foregoing protective covenants and restrictions is construed by judgment or decree of any Court of record to be invalid, such judgment or decree shall not affect any of the other provisions, which shall remain in full force and effect, the owner hereby declaring that said restrictions are not interdependent but are severable, and one would have been adopted even without the others.

20. It is expressly stipulated that the covenants and conditions set forth in this instrument apply solely to the herein listed lots, and are in no manner whatsoever intended to apply to any other lots, tracts, or parcels of land in the area or vicinity owned by DEVELOPER, ADAMSON DEVELOPERS, LLC. Each and every one of the aforesaid covenants, conditions and restrictions shall attach to and run with each and every of the said lots of land and all titles to, and estates therein, shall be binding upon each and every owner and occupant of the same until January 1, 2029, and shall be extended automatically to apply to each of said lots for successive periods of ten (10) years unless by action of a minimum of eighty per cent (80%) of the then owners of the lots, it is agreed to change said covenants in whole or in part provided further that this instrument evidencing such action must be in writing and shall be duly recorded in the register's office of Hamilton County, Tennessee. Neither the undersigned nor any party or parties claiming under them shall or win convey, devise or demise any or either of said lots or any part of said lots except as being subject to the said covenants, conditions and restrictions, and the obligation to observe and perform the same. The said covenants, conditions and restrictions shall run with and be appurtenant to the said land and every part thereof as fully as it expressly contained in proper and obligatory covenants or conditions in each and every contract or conveyance of or concerning any part of the said land or the improvements to be thereon.

Providing, that in the event of violation of setback lines, either side, front or rear, which may be minor in character, a waiver thereof may be made by DEVELOPER, its successors or assigns.

If the undersigned or any party or parties owning any of the lots shall violate or attempt to violate any of the covenants or restrictions herein provided before January 1, 2029 or within the extended time as herein before provided, it shall be lawful for DEVELOPER, its successor or assigns, or any person or persons owning any lot or lots in the Subdivision to initiate any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants or conditions and either to prevent him or them from so doing, or to recover damages or other dues for such violation, including reasonable attorneys' fees.

21. In the event that one or more of these restriction provisions shall be invalidated by a court of law, all other provisions of this covenant shall remain in full force and effect.

22. DEVELOPER, its successors or assigns, reserves the right to amend, correct or clarify any of the above restrictions in whole or in part and to grant individual waivers as the situation may require. Developer may assign these restrictions in full or in part at any given time.

In Witness whereof, I have hereunto set my hands this the 20th day of March, 2020.
