(b) From and after January 1 of the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased above five percent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting, duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

7. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to each Unit on the first day of the month following the conveyance of such Unit by developer to an Owner or occupancy of said Unit, whichever shall first occur. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors, and unless otherwise provided, the Association shall collect each month from the Owner of each Unit one-twelfth (1/12) of the annual assessment for such Unit. The Association shall, upon demand, and for a reasonable

charge, furnish a certificate signed by an officer of the Association forth whether the assessments on a specified Unit have been paid. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Each member must pay annual assessments in twelve (12) equal payments, with each payment becoming due on the first day of each calendar month. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within ten (10) days after the due date, a penalty equal to twenty percent (20%) of the amount of the delinquent assessment shall be added to the amount of the assessment. Section Two. The Association may bring an action at law for the collection of any and all assessments and penalties provided for in Section One against the member personally obligated to pay the same, or the Association may foreclose the lien against the member's property. The member against whom such action is taken shall be personally obligated to pay, in addition to all delinquent assessments and penalties, a reasonable attorney's fee and all other costs incurred by the Association in taking action. No member may waive or otherwise escape liability for the assessments, penalties and/or collection costs provided for herein by non-use of the Common Area or abandonment of this unit for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the association in a like manner as a mortgage or deed of trust lien on a real property, and such Owner hereby expressly grants to the association a power of sale in connection with said lien. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Unit Owners. The Association, acting on behalf of the Unit Owners, shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same; and to subrogate so much of its right to such liens as may be necessary or expedient to an insurance company continuing to give total coverage notwithstanding nonpayment of such defaulting Owner's portion of the Premium. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Unit.

Sale or transfer of any unit shall not affect the assessment lien; however, the sale or transfer of any unit pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer; provided, however, the lien shall continue and attach to any proceeds from such sale which might be due the mortgagor or successor in title of the instrument being foreclosed. No sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due, or from the lien thereon.

10. Exempt Property. All property dedicated to, and accepted by, a local public authority; the General Common Area, and all Property Owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Tennessee shall be 'exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

11. Insurance and Insurance Assessments. The Association, or its duly authorized agent, shall have the authority to and shall obtain insurance for all the buildings, including all units and interior portions thereof and general and limited common elements, against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering all the General and Limited Common Areas, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance shall be common expenses. All such insurance coverage shall be written in the name of the Association as Trustee for such of the Condominium Unit Owners in equal proportions. It shall be the individual responsibility of each owner at his own expense to provide, as he sees fit, hazard insurance, homeowner's liability insurance, theft and other insurance covering personal property damage and loss.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, subject to the provisions of Sec. 64-2718, Tennessee Code Annotated, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good condition as formerly. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly the Board of Directors shall levy a special assessment against all Members of the Association, as provided in the Master Deed, to make up any deficiency for the repair or rebuilding. "Building", as used in Sec. 64-2718, Tennessee Code Annotated shall mean or refer to the definition of building hereinbefore set out in this Master Deed.

In the event that any mortgagee does not concur in the reconstruction of any unit, the owner of such unit shall convey his interest in such unit to the Association. The Association is authorized to reconstruct the unit or units and to offer same for sale and to distribute any excess proceeds from the sale to the owner that conveyed that unit to the Association.

There shall be no right of action by an owner, the Association, nor the insurer, against a co-owner or the Association, for alleged liability for damages covered by the insurance provided herein and there is an express waiver of subrogation: it being the intention of this provision that all insurance carried for the benefit of any unit owner or the Association, shall inure to the benefit of every other unit owner and the Association.

ARTICLE IX

1. No building, fence, wall or other structure shall be commenced, erected, or maintained upon the project, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Association, or by an architectural committee composed of three or more representatives appointed by the Association. In the event said Association, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plan and specifications have been submitted to it, approval will not be required.

ARTICLE X

MANAGEMENT AGREEMENTS

Each Owner of a Unit hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Association and the Developer as hereinbefore provided. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be cancelled, prior to the expiration of said agreement, by an affirmative vote of two-thirds (2/3rds) of the members of the Association. In no event shall such management agreement be canceled prior to the effecting by the Association or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Association or its Board of Directors to effect a new management agreement prior to the expiration of any prior management contract. 2. No amendment to this Master Deed shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof.

3. No mortgagee and no beneficiary or Trustee under deed of trust shall become personally liable for or obligated for any unpaid maintenance assessment.

4. Any recorded first mortgage secured on a condominium unit in the project shall provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Master Deed or By-Laws or any installment thereof shall likewise be a default in such mortgages or the indebtedness secured thereby, and failure to include such provision in any mortgage shall not affect the validity or priority thereof, and the protection extended to the holder of such mortgage or the indebtedness secured thereby shall not be diminished by reason of such failure. The Association shall notify the holder of the mortgage of any default by the mortgagor in the payment of any amount levied which is delinquent for a period of thirty (30) days.

5. Any mortgage secured on a condominium unit shall include, whether or not specifically described therein, the entire condominium interest as defined in this Master Deed, and all amenities to which the appraisal on said unit relates, such as parking, recreation and service areas.
