No overnight parking of any vehicles whatsoever shall be permitted on the streets of the subdivision. Owners may not park their vehicles upon the property of other Owners without the other Owner's permission.

26. When not in use, garage doors on garages are to remain closed so as to prevent an unsightly view from adjoining landowners and passersby. When possible, all vehicles are to be parked inside the enclosed garage area. When not possible, they shall be parked on the driveway area and not in the yard area.

27. No outside clotheslines shall be placed on any Lot.

28. There shall be no swimming pools placed on any Lot.

29. Holiday lighting decorations shall be limited to indoor window decorations. No outdoor lighting decorations shall be permitted. No outdoor flags or decorations shall be permitted.

30. All construction of dwellings, accessory structures and all other improvements on any Lot shall be undertaken and completed in accordance with the following conditions:

a) All construction shall be carried out in compliance with the laws, code, rules, regulations and orders of all applicable governmental agencies and authorities. Construction shall equal or exceed requirements set forth by the Southern Building Code and Walker County.

b) No exposed concrete blocks shall remain on any front and side exterior ground level, unless covered or finished with brick.

d) All driveways must be of concrete construction and shall be poured with a minimum of four (4) inches. All driveways shall be not less than ten (10) feet in size and shall run from the pavement line of the street frontage of

each Lot. All Lots must have a front side walk poured next to the street curb at Developer's designated location with a minimum thickness of 4 inches and a width of 48 inches.

e) No poles for installation of private lighting shall be located or placed forward of the building setback line as shown on the recorded subdivision plat.

32. Landscaping of all Lots shall be maintained as needed, whether said Lots are improved or unimproved, which maintenance shall include, but not be limited to, mowing and removal of all trash from said Lot. The Association shall be responsible for maintaining the mowing and trimming of grass.

33. Re-subdivision of Lots shown upon the recorded plat of Heritage Row Townhomes shall be permitted only with the approval of the Developer.

34. Developer or its assigns may carry on such construction, selling and leasing activities on the property as it deems necessary, and may maintain upon such portions of the property as it deems necessary, such facilities as may be necessary, expedient or incidental to the completion of construction and to the selling or leasing of Lots, including, but not limited to, maintenance of a sales office, model residences, signs, storage areas, construction facilities and construction offices.

Further, the Developer shall have and does hereby reserve a transferable easement on and over certain Lots for the purpose of making improvements on adjoining property and for the purpose of doing all things in connection therewith. For this purpose, and by way of clarification, but not of limitation, the easements reserved by the Developer, its successors and assigns, in, on, over, under and through the property include those for the erection, installation, construction, and maintenance of wire, lines, conduits, and necessary or proper attachments in connection with the transmission of electricity, gas, water, telephone, community antennae, television cables, and other utilities; for the construction of dwellings and other improvements on the Lots; for the installation, construction and maintenance of storm water drains, public and private sewers, and any other public or quasi-public utility facility; for the use of any streets, drives or temporary facilities installed for parking vehicles in connection with efforts to market the Dwellings or Lots; for the maintenance of such other facilities and equipment as in the sole discretion of Developer may be reasonably required, convenient or incidental to the completion, improvement and sale of dwellings or Lots. The Developer or any builder who acquired a Lot from Developer for the purpose of erecting a dwelling thereon and their duly authorized agents, representatives and employees shall have and enjoy these easements as well as an easement for the maintenance of sale offices and/or model residences on the property for so long as the Developer or its successor builds or owns any Lot for sale in the ordinary course of business.

7.04 Violations and Enforcement. In the event of violations of any one or more of the provisions of this Article or this Declaration, the Association, its successors and assigns, including all parties hereafter becoming Owners of any one or more of the Lots to which the provisions of this Declaration apply, may bring an action or actions against the Owner seeking to enjoin such violation, or attempted violation, and the Owner shall be further liable for such damages as may accrue, including court costs and reasonable attorney's fees incident to any such proceedings, which costs and fees shall constitute liquidated damages. By reason of the rights of enforcement of the provisions of this Declaration being given unto Owners of Lots (subject to the rights of variance reserved by the Board), it shall not be incumbent upon the Association to enforce the provisions of this Declaration or to prosecute any violation thereof. In the event of a violation of these restrictions, a waiver thereof may be made by the Board in its sole discretion, if said waiver does not adversely affect the purposes contained herein.

ARTICLE VIII

ASSESSMENTS

8.01 Creation of Lien and Personal Obligation of Assessments. Each Owner by acceptance of a Deed conveying a Lot, whether it be expressed in any such deed or other such conveyance, by submission of such Lots to this Declaration under the provisions of Section 2.01 hereof, shall be deemed to covenant and agree to all of the terms and provisions of this Declaration and pay to the Association Annual Assessments and Special Assessments for the purposes set forth in Section 8.04 of this Article, at such time as hereinafter provided. The Owner of the Lot shall be personally liable to the Association for the payment of all Assessments, whether annual or special, which may be levied while such party is an Owner of a Lot. The Assessments, together with interest thereon and costs of collection therefore as hereinafter provided, shall be a charge and continuing lien on the Lot and all of the

improvements thereon against which each such Assessment is made. Unpaid Assessments shall bear such interest from due date to date of payment at a rate set by the Board.

8.02 Purpose of Assessments. ~~The Assessments levied by the Board shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and for the improvement and maintenance of the Common Properties and Property. Special Assessments shall be used as set forth in Section 8.04 of this Article.~~

8.03 Amount of Monthly Assessments. The Monthly Assessment per Lot shall be \$50.00 Dollars payable in advance and quarterly unless a majority of the Board should elect to increase or reduce said amount at an annual or special meeting approved by two-thirds (2/3) of the Members in attendance.

8.04 Special Assessments for Improvements and Additions. The Board may levy Special Assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties or Property, including necessary fixtures and personal property related thereto or addition to the Common Properties, provided that such Assessment shall have the approval of two-thirds (2/3) of the Owners at a duly called meeting of the Association, written notice of which shall be sent to Members thirty (30) days in advance setting forth the purposes of such meeting.

8.05 Date of Commencement of Monthly Assessments. The Monthly Assessment shall commence on the date fixed by the Board to be the date of commencement. Such Monthly Assessment will be due and payable on the same date of each quarter as so established. The due date shall be fixed in the resolution authorizing such Assessment.

8.06 Lien. Recognizing that the necessity for providing proper operation and management of the Common Properties and Property entails the continuing payment of costs and expenses therefore, the Association is hereby granted a lien upon each Lot and the improvements thereon as security for payment of all Assessments against said Lot, now or hereafter assessed, which lien shall also secure all costs and expenses, and reasonable attorney's fees and court costs, which may be incurred by the Association in the enforcement of the lien upon said Lot. The lien granted to the Association may be foreclosed as other liens are foreclosed in the State of Georgia. Failure by the Owner to pay any Assessment, annual or special, on or before the due dates set by the Association for such payment shall constitute a default, and this lien may then be foreclosed by the Association.

8.07 Lease, Sale or Mortgage of Lot. Whenever any Lot may be leased, sold or mortgaged by the Owner thereof, which lease, sale or mortgage shall be concluded only upon compliance with the provisions of this Declaration, the Association, upon written request of the Owner of such Lot, shall furnish to the proposed lessee, purchaser or mortgagee, a statement verifying the status of payment of any Assessments which shall be due and payable to the Association by the Owner of such Lot; such statement shall include whether there exists any matter in dispute between the Owner of such Lot and the Association under this Declaration.

Such statement shall be executed by an officer of the Association, and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Association shall be bound by such

statement.

Should payment of any Assessment be in default when such lease, sale or mortgage should be transacted, then the rent, proceeds of purchase or mortgage shall be applied by the lessee, purchaser or mortgagee first to payment of any delinquent Assessment to the Association before payment of any rent, proceeds of purchase or mortgage to the Owner of any Lot who is responsible for the payment of such delinquent Assessment.

In any voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor and the Lot made prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee therefore.

ARTICLE IX

MORTGAGES, MORTGAGEES AND PROCEDURES AND RIGHTS RELATING THERETO

9.01 Mortgages and Other Liens.

(a) Each Owner shall have the right, subject to the provisions herein, to make or create, or cause to be made or created, any mortgage or other lien on or affecting said Owner's respective Lot together with said Owner's respective ownership interest in the Common Properties, provided, however, that from the date this Declaration is recorded, no Owner shall have the right or authority to make or create, or cause to be made or created, any mortgage or other lien on or affecting the Property or any part thereof, except only to the extent of said Owner's own Lot and his respective interest in the Common Properties corresponding thereto.

(b) Subsequent to the recording of this Declaration, no liens of any nature shall be created or arise against any portion of the Property except against an individual Lot. No labor performed or materials furnished with the consent of or at the request of a particular Owner shall be the basis for the filing of a mechanic's lien claim against any other Lot. If the performance of the labor or furnishing of the material is expressly authorized by the Association, each Owner shall be deemed to have expressly authorized and consented to such performance of labor and furnishing of materials, and each Owner shall be liable for the payment thereof in a proportionate share of any due and payable indebtedness, as set forth in this Declaration. An Owner shall not be liable for any claims, damages or judgments entered as a result of any action or inaction of the Association other than for Mechanic's liens as set forth above. Each Owner's liability for any judgment entered against the Association shall be limited to said Owner's proportionate share of the indebtedness, as set forth in this Declaration, whether collection is sought through assessment or otherwise.

9.02 Rights of Mortgagees.

(a) Each of the following actions shall require, as of the date such action is taken, the prior written approval of all holders or owners of a subsequently recorded mortgage or deed of trust constituting a first mortgage lien on any one or more Lots:

- (i) abandonment or termination of the Association or removal of the

Property from the provisions of this Declaration, except for removal provided by law, or in the case of destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain;

(ii) any amendment to this Declaration which changes the interest of the Owners in the Common Properties;

(iii) use of hazard insurance proceeds for losses to the Common Properties for other than the repair, replacement, or reconstruction of such improvements.

(iv) any amendment to this Article or to any other provision in this Declaration which specifically grants rights to the holders of such first mortgagee or security deeds.

(b) Upon written request, any Mortgagee subject to this Declaration shall be entitled to:

(i) inspect the books and records of the Association during normal business hours, upon reasonable notice;

(ii) receive a copy of the annual financial statement of the Association which is prepared for the Association and distributed to the Owners;

(iii) receive written notice of all meetings of the Association and permitted to designate a representative to attend all such meetings;

(iv) receive written notice of any default in the obligations hereunder of any Owner of such Lot encumbered by such first mortgage lien and not cured within thirty (30) days after notice of such default has been sent to such Owner by the Association; and

(v) receive written notice of any material amendment to this Declaration or the Bylaws of the Association.

Notwithstanding the foregoing, the Association's failure to provide any of the foregoing to a First Mortgagee who has so requested the same shall not affect the validity of any action or decision which is related to the foregoing, nor shall the Association have any liability on account of its good faith failure to so provide.

(c) Upon written request, a first mortgagee of any one or more Lots shall be entitled to timely written notice in the event of any substantial damage or destruction or any percent of the Common Properties or if the Common Properties or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority. No Owner or other party shall be entitled to priority over such first mortgagee with respect to the distribution to such Owner or other party, with respect to such Lot, or any insurance proceeds payable by reason of such damage or destruction or of the proceeds of any such condemnation award or settlement.

(d) The provisions hereof are in addition to all other rights of Mortgagees

herein contained or under law.

(e) When notice is to be given to any first mortgagee hereunder, the Board shall also give such notice to the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Veterans Administration, the Federal Housing Administration, the Government National Mortgage Association and any other public or private secondary mortgage market entity participating in purchasing or guaranteeing mortgages of Lots in the Development, if the Board has notice of such participation.

9.02 Subordination. The liens provided for in this Declaration shall be subordinate to the lien of any prior recorded mortgage or security deed on the Property or Lot or any portion thereof, or on any interest of such Owner, which mortgage or security deed is recorded prior to the date such lien for unpaid Common Expenses attaches and is owed, or held by any such lender, except for the amount of said proportionate share of such Common Expenses which become due and payable from and after the date on which such lender either takes possession of the Lot or interest encumbered by such mortgage or security deed, or accepts a conveyance, transfer or assignment of the Lot or of any interest therein (other than as security) in lieu of any foreclosure of such mortgage or security deed. This provision shall not be amended, modified or rescinded without the prior written consent of all lenders who are the holders or owners of a mortgage or security deed recorded prior to the date of any such amendment, modification or rescission.

An Owner or mortgagee of a Lot shall have the right to acquire from the Association a certificate showing the amount of unpaid assessments with respect to the Lot. The Association may not enforce against a mortgagee who relies on the certificate any indebtedness as of that date in excess of the amount shown thereon.

By subordination agreement executed by a majority of the Board, the benefits of this Article may be extended to mortgages other than first mortgages.

ARTICLE X

DEFAULT/REMEDIES

10.1 Event of Default; Notice. If any Owner (either by said Owner's own conduct or by the conduct of an occupant of said Owner's Lot), shall violate any provision of this Declaration, the Bylaws or any Rules and Regulations, and if such default or violation shall continue for twenty (20) days after written notice to the Owner from the Association, or shall occur repeatedly during any ten (10) day period after such written notice, then such violation shall constitute an event of default ("Event of Default"), and the Association shall have the power to issue to said defaulting Owner a notice in writing terminating the rights of said defaulting Owner to occupy, control, use and enjoy the Common Properties and to vote as a Member of the Association.

10.2 Remedies in the Event of Default. In an Event of Default the Association, or its successors and assigns, or its agent, shall each have all of the rights and remedies which may be provided for in this Declaration or the laws of the State of Georgia, or which may be provided or permitted at law or in equity, and may prosecute an action or other proceedings against such defaulting Owner and/or others for enforcement of any lien and the apportionment of a receiver for the Lot and ownership interest of such Owner, or for

damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Lot and such Owner's interest in the Property, and to sell the same, as hereinafter in this Declaration provided, or for any combination of remedies, or for any other relief. All expenses of the Association in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the maximum contract rate per annum permitted by law, shall be charged to and assessed against such defaulting Owner until paid, and shall be added to and deemed part of said Owner's respective share of the Common Expenses, and the Association shall have a lien for all of the same, as well as for non-payment of said Owner's respective share of the Common Expenses, upon the Lot and ownership interest in the Common Properties of such defaulting Owner and upon all of said Owner's additions and improvements thereto; provided, however, that such lien shall be subordinate to the lien of any prior recorded first mortgage or security deed on the Property or any portion thereof, or on any interest of such Owner, except for the amount of the proportionate share of said Common Expenses which became due and payable from and after the date on which the said mortgage owner or holder either takes possession of the Lot or interest encumbered by such mortgage or security deed, accepts a conveyance of any interest therein (other than as a security) or files suit or commences other proceedings to foreclose such mortgage or security deed and causes a receiver to be appointed. In the Event of Default by any Owner, the Board shall have the authority to correct such Default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Owner, together with interest thereon at the rate aforesaid. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Association. This provision shall not be amended, modified or rescinded without the prior written consent of all lenders who are the holders or owners of a mortgage or security deed recorded prior to the date of such amendment, modification or rescission.

ARTICLE XI
